

Thank you for your recent inquiry into the Memphis Union Mission's Re-Entry Program. It is our pleasure to serve you and take this opportunity to tell you about our program. We have provided our intake application, personal information questionnaire, basic rules of our program, and descriptions of our program and services.

The Mission offers a short-term, 90-day, faith-based program which includes recovery support services, pastoral counseling, one-on-one sessions, daily devotionals, spiritual support groups and supportive services contact information. We also offer drug-free housing, Christian atmosphere, basic necessities, and temporary employment directions.

The Mission's aim is to serve our clients, helping them overcome life issues through Biblical principles which will prepare them to transition back to a free society and maintain gainful employment. The Mission's aim is also to serve the courts that refer clients to us by enforcing restrictions and reporting their progress upon request.

If you apply for enrollment in our Re-Entry Program, you will go through a screening process and personal interview either by phone or face-to-face. You must have been free of drugs and alcohol for the past six months, and agree to remain that way. You must also agree not to abuse prescription medications of any kind. **At the present time, our program does not accept sex offenders or those who have been convicted of violent offenses.**

The initial length of our program is 90 days. Upon completion, residents with a good attitude and work ethic may apply for an extension.

To enter the Re-Entry Program, you must submit a fully-completed application which will determine your eligibility. You must include all of the information listed below and return it in one package:

- Re-entry Program application
- A 10-page autobiography of your life
- Copies of your TOMIS (Tennessee Offender Management Information System) criminal, medical and mental health records
- Memorandum of Understanding with the referring agency
- Counselor/ pre-release coordinator recommendation, detailing your character, conduct and any disciplinary problems while incarcerated
- Your work history or resume
- You will be required to provide program fees of \$435 which covers two months of program service fees and a key deposit of \$15. These fees are non-refundable. Once you are accepted into the program- we will not "hold" a bed for you without this fee. We require a two week notice for reserving a bed for you. Once you give the date of your entrance to the program, the fee will be applied starting that day that day.

Please don't return the program application until you have gathered all of the requested information.

You must make arrangements with me for a phone interview within ten days after you send your package. My phone number is (901) 410-2059.

If we determine that you are eligible to enter the Re-Entry Program, you will be permitted to come to the Mission's Opportunity Center located at 600 Poplar Ave. Before being admitted into the program, you must test free from alcohol and illegal drugs.

If you pass these tests, you will be admitted into the program. However, if you fail any subsequent alcohol or illegal drug tests, you will be immediately dismissed, and the proper authorities will be notified that you failed to comply with the Mission's program requirements. There will be no refund on any money.

In order for your time in the Re-Entry Program to be profitable, you must be willing to:

- Be in a faith-based program requiring mandatory attendance to classes and chapel services
- Comply with the program rules or chore assignments
- Refrain from the use of alcohol or any kind of illegal drugs

If you are unwilling to abide by these guidelines, please do not apply.

Thank you again for your interest in the Re-Entry Program. We look forward to hearing from you.

Sincerely,

Rev. Andre Randolph,
pastor Opportunity
Center

DISCIPLINE PROCEDURES

Disciplinary Rules

There are rules for program participation. We have designated five rules for which there are strict guidelines for immediate dismissal from our programs. These are:

- Use of any drugs or alcohol after entry into our programs
- Tampering with the integrity of our drug testing procedure
- Theft of property
- Threats or acts of violence
- Failure to comply with requirements for passes

You will be dismissed from the Re-Entry Program if you break these rules, and the appropriate authorities will be notified immediately. In the case of a relapse on drugs or alcohol, you may have the option of entering our Iron-On-Iron long-term (nine-month) recovery program.

There are other infractions which are of a more minor nature, but those rules are just as important to the smooth operation of our program. Repeated violations of these rules are grounds for the discipline of our residents short of dismissal from the program.

Violation of Rules

Incidents which require written reports are called strikes and will be placed in your file.

Strikes include any other violations of Mission rules which require a written report by a pastor or supervisor. An incident report is to be included in your file on a yellow sheet of paper.

If you obtain three strikes within the 90 days, you will be dismissed from the program and the proper authorities will be notified.

I have read these expectations and I understand them and will abide by them.
